The Bowl's community ushers provide a vitally important service to the Summer Music Festival. Civic organizations, service clubs, businesses, church groups and hobby clubs all find that ushering is an ideal way to support the Bowl and have fun at the same time! Many groups arrange to have a picnic together and enjoy the camaraderie of friends, family and co-workers prior to the performance. The 98th season may be different this year, but our mission is the same, and that is to provide concerts free of charge for all. Since the Redlands Bowl is sustained through donations, we do count on freewill offerings collected during the summer.

This year, we will be asking volunteer groups to assist the Red Shirt ushers in collecting freewill donations prior to the start of each performance. Concerts will begin at 8:00pm and end at 9:15pm. There is no intermission.

We welcome groups of 10, 15 or 20 on Tuesday or Friday evening. You can request which night you would like to usher (subject to availability), or you will be assigned an evening. Your group will meet with the Red Shirt Ushers prior to the beginning of the concert at 7:15 p.m. who will give you instructions and assign you a specific area of the Bowl.

Your name will be announced from the stage prior to the concert. You can wear your own group T-shirts to help boost your recognition. Beginning **June 15, 2021**, the Governor of California has announced that we are able to meet outdoors at the Bowl without restriction. We ask those who wish to participate to wear a mask while passing the red bowls only.
